

SECTION 17 DUST CONTROL

17-1 GENERAL

Dust control shall consist of applying water or dust palliative to alleviate or prevent dust nuisance resulting from the Contractor's operations, either within or outside the Work right-of-way.

Dust control shall be performed by the Contractor at any time dust, resulting from the Contractor's operations, becomes a nuisance or visual impediment, or as directed by the Agency. Failure to adequately control dust will be cause for the Agency to direct the Contractor to suspend operations or for the Agency to perform such activity with all costs to be borne by the Contractor.

The application of water for dust control may be performed by the Contractor for the Contractor's convenience. Water shall be applied as provided in Section 16, "Water Used in Construction", of these Specifications.

17-2 DUST PALLIATIVE

Dust palliative shall be applied when, in the opinion of the Agency, this type of dust control is required. Dust palliative shall consist of an asphaltic emulsion binder as specified in Section 18-1.02, "Materials", of the State Specifications. Dust palliative shall be applied as specified in Section 18-1.03, "Application", of the State Specifications, or as directed by Agency.

17-3 MEASUREMENT AND PAYMENT

Full compensation for applying water for dust control is included in the prices paid for the various items of work involved and no additional compensation will be paid.

When asphaltic emulsion binder for dust palliative is to be paid for as an item of work, the unit of measurement shall be a ton. Quantities of asphaltic emulsion binder for dust palliative to be paid for will be determined prior to the addition of water as provided in Section 94-1.07, "Measurement", of the State Specifications. The price paid per ton for asphaltic emulsion binder for dust palliative includes full compensation for furnishing all labor, materials, tools, equipment, and incidentals and for doing all the work involved in adding water, mixing, and applying the dust palliative as shown or specified in the Contract, as specified in these Specifications, and as directed by the Agency.

When the Contract does not include a pay item for asphaltic emulsion binder for dust palliative and the Agency directs the Contractor to apply dust palliative, furnishing and applying dust palliative will be paid for as extra work as provided in Section 9, "Changes and Claims", of these Specifications.
