

## **FEMA Flood Zone Designation**

For any questions regarding FEMA (Federal Emergency Management Agency) flood zone designation and requirements for flood maintenance, please call Water Resources at (916) 478-2252. Please have the address and/or the parcel number (APN), for the property in question and your phone number. The following information will be provided in response to your request:

- FEMA Flood Zone Designation per FIRM (Flood Insurance Rate Map).
- The Community Number.
- The Panel Number.
- The Panel Effective Date.
- Any LOMR (Letter of Map Revision) issued for the property and its effective date.
