

CITY SEEKS PUBLIC INPUT ON THE FLOOD CONTROL
AND STORM DRAINAGE MASTER PLAN

Elk Grove, CA – The next Storm Drainage Master Plan (SDMP) public workshop will be held on Thursday, June 10, 2010.

The management of stormwater is currently being reviewed by the City and now is the time to learn about different management strategies and to also express your opinion about specific local concerns with regard to storm water runoff.

The City would like to gather the community's opinion on flood control, water quality, riparian habitat and various other drainage issues of concern.

The workshop will be held from **6 pm to 8 pm** in Pleasant Grove Elementary School located at 10160 Pleasant Grove School Rd, Elk Grove, CA 95624.

An agenda will be posted before the upcoming workshop on the City's webpage located at:

<http://www.egpublicworks.org/workshop.asp>

All parties are encouraged and welcomed to attend the workshops. For more information, please contact Fernando Dueñas at (916) 627-3434 or email him at fduenas@elkgrovecity.org or Nancy Myers at (916) 689-6943.

Who:	All interested parties are welcome but the workshop will primarily focus on East Area stormwater issues
What:	Flood Control and Storm Drainage Master Plan Workshop
Where:	Pleasant Grove Elementary School (10160 Pleasant Grove School Rd, Elk Grove, CA 95624)
When:	Thursday, June 10, 2010 6:00 pm – 8:00 pm
Why:	To provide a forum of public contribution and gather feedback from the community towards a comprehensive Flood Control and Storm Drainage Master Plan for the City of Elk Grove.
